

Keeping it GREEN!! Re-Use—Recycle

The Cyr Center was created to assist the Town with re-useable resources. This new fee schedule & restrictions will help to sustain the site out on Sharpners Pond Road. The Town is happy to also provide the items listed below to residents at no charge— except your own sweat equity. These items are for residents not landscapers and the removal of these items is at the discretion of the Site Attendant.

What is ALLOWED at the site:

Grass—either loose or in biodegradable brown paper bags.

Leaves—either loose or in biodegradable brown paper bags **ONLY.**

Brush— either loose or in biodegradable brown paper bags **ONLY.**

Tree limbs/logs—in 4 foot lengths or less and not more than 4 inches wide.

Many people ask what is brush: Brush is any small sticks or tree trimmings or prunings from bushes.

Materials Not To Be Accepted

Non-recyclable material including but not limited to:

Liquids of any kind

Household rubbish or recycling

Construction debris, lumber, roofing material

Metal, glass, or plastic products

Appliances, televisions, computers or electronic devices

Concrete, masonry rubble or asphalt paving

Tree stumps, ledge or fill of any kind

Some items we may have previously taken. However, we can no longer accept these items at the site. These non biodegradable items are causing the site to fill up.

**The Site Attendant has the
final say for dumping of
materials or removal of
available materials.**
